**To Whom It May Concern:**

**Re: Emma Herbert  
fundraising for the MS Society.**

We are delighted to confirm that the MS Society is aware of and fully supports the fundraising of Emma Herbert.

Emma is supporting the MS Society by organising a **fundraising road trip and donating profits from her new book!** The MS Society relies upon the commitment and dedication of fundraisers in the community to be able to support people affected by multiple sclerosis. We hope you will feel able to support them in their efforts.

The MS Society is the UK's largest charity dedicated to supporting everyone whose life is touched by MS. We invest in innovative research with the hope of finding more effective treatments for MS and ultimately the cure. We also provide personalised care, a freephone MS Helpline on 0808 800 8000, a website packed with information about MS at [www.mssociety.org.uk](http://www.mssociety.org.uk), grants for home adaptations and mobility aids, education and training, specialist MS nurses and a wide range of information.

If you have any queries regarding the MS Society or this fundraising activity please do not hesitate to contact the MS Events Team on 0845 481 1577. By supporting this venture you are actively enabling the MS Society to continue its important work.

With many thanks in advance,

Yours faithfully,
